Terms and Conditions

EMAIL INQUIRIES: We make every effort to respond to email inquiries during weekend and holiday hours. Our ecommerce system is live 24/7. By placing an order, the customer confirms that he/she is 18 years old or above. It is illegal to consume alcohol for persons under the age of 18.

BOTTLE CONDITIONS: All wines are sold "as is". Bottega del Vino will provide as detailed an assessment of bottle conditions as possible. Where detailed conditions are not explicitly offered on the website, photographs of bottle labels, capsules, corks and ullage are available upon request.

RETURNS: If, when wine is received, you are not satisfied with the conditions of an unopened bottle or bottles, Bottega del Vino must be notified within 3 days of receipt if an exchange or refund is to be arranged. We will not negotiate complaints or disagreements about bottle conditions beyond the 3-day timeframe and if a purchase is to be returned, it must be returned unopened. Bottega del Vino will not accept returns of opened bottles.

CORKED BOTTLES: Bottega del Vino will not refund purchases of corked bottles. The incidence of TCA-infection is unrelated to storage conditions or provenance and is not our responsibility.

PAYMENT PROCESSING: The vast majority of our inventory is comprised of "fine and rare" wines. In many cases we will only have one or two bottles of any given wine in stock. Therefore, payments are not processed in "real-time". Before payment is processed, we will determine availability and ensure that any bottle conditions are resolved.

DELIVERY: Goods ordered will be delivered within 2 to 3 working days. Customers should ensure a person aged 18 or above to be present during the agreed delivery time slot to collect the alcoholic items. If no one accepts the delivery at the nominated delivery address on the delivery date and time slot, re-delivery service charges may be applied.
